We are happy to report growing support for the "Friends of the Guild of Players." This has come about because many of our friends who come to see our Plays have said as that although they are not able to take an active part in the Guild's productions, they would like an opportunity of giving in practical support.

We have been very glad to accept these kind offers, which are of great help in maintaining the high (but also expensive) standards of production to which we aim. We have arranged that for the convenience of friends the Box Office shall in future be opened to them seven days earlier than to the general public, and that they shall receive each issue of the News Letter, with details of future productions.

Membership of the "Friends of the Guild of Players" is of course open to everyone. We suggest that a suitable minimum annual subscription would be five shillings. Full details are available in the foyer, or from the Hon. Secretary.
